JUNE'21

My name is Priti Kamat and I secured an all India rank 1 in CA IPCC exams of ICAI July intermediate exam cycle 2021. Ednovate provides revision lectures for all students aspiring for success in their YouTube channel where the subject wise playlists are updated regularly. Before revising for my exams, I watched the demo lectures and realized that every professor at ednovate specializes in a particular subject. The professors work hard to make sure every student develops logic to apply the concept in exam type questions.
